

Name:

AWAKENINGS Scientific Method TALLY SHEET Date:

Instructions: While watching *Awakenings*, keep track of how many times Dr. Sayer (Robin Williams) uses each step of the scientific method. Do this by making tally marks in the correct step. When you are done, answer the questions at the end of the tally table. Enjoy the movie and notice how the scientific method is used!!

STEP	Tally	Total
State Problem		
Make Observations		
State a Hypothesis		
Perform an Experiment		
Record/Collect Data		
Organize/Analyze Data		
State a Conclusion		

1. Which step was used most often in the movie? Why do you think this was the case?
2. Which step was used least often in the movie? Why do you think this was the case?
3. What do you think is the **CORRECT ORDER** in which the scientific method is used?
4. What do you think of the movie?

Scientific Methods
